

COUNTERFEIT

WEEK 4

BOTTOM LINE

God can use turning points to grow our faith.

DISCUSSION QUESTIONS

1. Share about a movie or a book that had a really good turning point or plot twist.
2. What's one turning point (good or bad) you've experienced in life so far?
3. Have you seen someone positively handle a really tough circumstance? What did that look like?
4. Jesus showed us it's possible to show deep emotion and still have faith in God. Does this change the way you see being angry, upset, hurt, confused, etc., during challenging times?
5. Every turning point is a good opportunity to ask, "Where is God in this?" What are the ways God shows up in turning points? (Ex: text from a friend, encouragement from a coach, a good night's sleep.)
6. Have you ever seen God show up at a turning point in your life? What happened, and what did it show you about God?
7. A real faith is a growing faith. How would you face tough times differently if you believed that God could use them to grow your faith?
